

LSC POTENTIAL SAILING RE START V3

Sailing Dates:

Sat 12th September to Saturday 31st October (8 Weeks)

All Races to start at 3pm with the Enterprises starting first followed by a mass start of Mirrors/Redwings/Lasers

Rigging / Launching times to avoid Mass Gathering in Boat Park

2:00 pm	Boat park open
3:00 pm	Enterprise Start
3:05 pm	Mirrors/Redwings/Lasers Start

Key Points:

The start line will be below the leeward mark then triangle courses as normal, this allows the second start to join in to the same course as the other fleets without affecting the first fleets racing

Enterprises starting first

Mirrors / Redwings / Lasers will be a Mass Start

Just 1 race per day for each fleet to avoid coming back in to late

Finish Line will be through the point if conditions allow and if not, a rib will finish boats at one of the race marks whilst flying a blue flag

On returning to the Harbour boats may be told to wait outside the river mouth by the safety boats allowing fewer sailors at any one time on the slipway to maintain social distancing

3 Safety Boats every race regardless of conditions

Dave Juleff will be committee boat in his own rib with Matt McLaren as crew

The Club Ribs will be manned by Ben Crabb, John Crabb, Chris Jackman and Adam Hayler as the named crews only to comply with the Looe Sailing Club Risk assessment
